

# *Biscoff Passion Fruit Cheats Cheesecake*

*Serves 6*

We love Biscoff biscuits so use them as the base for these little cups of yum. You have a "buttery biscuit base" followed by the creamy mixture with passion fruit whirled in - it is really good and very quick.

- 150g Biscoff Biscuits - crushed with a rolling pin
- 40g melted butter
- 300g cream cheese
- 200ml double cream
- 3 tbsp icing sugar
- 6 passion fruits
